Janae Anderson, Butte, Montana, telephone (406) 565-5795, contacted Federal Bureau of Investigation (FBI), Glasgow Resident Agency, via telephone to report information related to the Richard Green murder. Anderson was advised of the identity of (FBI) Special Agent (SA) Gilbert E. Swain. Anderson provided the following information:

Janae Anderson is good friends with Alvin Linville (approximate age 65), Wolf Point, Montana. Linville and Richard Green owned property near Green's residence. Linville has a work shop/garage on the property and currently lives on the property. Green had proposed a deal to Linville to trade his portion of the work shop/garage property for property owned by Linville located within the city limits of Wolf Point. Linville did not accept the trade because his property in town was worth more than the work shop/garage property.

After the murder of Green, Linville talked about the incident with Anderson on a regular basis. Linville was partners with Green and good friends. Linville knew Green very well and was familiar with Green's home and personal habits. Linville told Anderson that he heard screams coming from Green's home around the time of the murder. Linville told Green that he was eventually going to be killed by someone he did business with.

Anderson and Linville continue to speak on the phone. Linville is planning on selling his property and belongings, and leaving Wolf Point.
